**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer. I support broadband competition. Affordable Broadband is critical to my husband, and me as a senior citizens. I choose Sonic Internet, a competitive provider, because I want more competition. I want to say NO to price hikes from big company such as AT & T.

I feel small competitive provider needs FCCs support. They help to stop price hike from big companies who try to control the market, and push up price hikes. Consumers need protection and should have opportunities to choose more competitive providers!
